Mr. Hannawa continued to address the commissioners by explaining the differences between selling Medical Marijuana and Recreational. He would like to renew his permit with Ausable and expand to offer the sale of recreational marijuana. As of this date, the State has repealed the taxation on Medical Marijuana but would assess taxes on recreational. If approved the township would start receiving revenue from sales. Janis made the motion to approve the renewal application – PC-1-2020 Provisioning Center. Second by London

**B) Review Zoning Ordinance Update –** An Ordinance pertaining to Pet Facilities was discussed when Ordinance 88 was reformatted but was overlooked when project was constructed. Because the ordinance was approved but not published or adopted, the process for formalizing this ordinance must go thru the protocol for adoption again.
