| _____too shallow | _____shape | _____other (please specify) |
- C. State exactly what is intended to be done on the property, which necessitates a variance from the Zoning Ordinance.
- D. Justification for granting the requested variance. Answer the following questions (See Section 4.05 (c)).
1. Are there any practical difficulties or unnecessary hardships, which prevent carrying out the strict letter of this Ordinance?
 2. Does a genuine hardship exist because of unique circumstances or physical conditions such as narrowness, shallowness, shape or topography of the property involved, or to the intended use of the property, that do not generally apply to other property or uses in the same zoning district, and shall not be recurrent in nature?
 3. Did the hardship or special conditions or circumstances result from actions of the applicant? If so how?
 4. Will the variance relate to property under control of the applicant?
 5. Will the variance be in harmony with the general purpose and intent of this Ordinance and not cause a substantial adverse affect upon surrounding property, property values, and the use and enjoyment of property in the neighborhood or district?
 6. Will strict compliance with ordinance requirements unreasonably prevent the applicant from using the property for a permitted purpose, or render conformity unnecessarily burdensome?

7. Is the variance requested the minimum amount necessary to overcome the inequity inherent in the particular property or mitigate the hardship?

8. Will the variance permit the establishment, within a zoning district, of any use, which is not permitted by right within that zoning district?
